

# Before sending your Technical Project Information ( TPI ) Package

## Please check off the following list

Did you provide the information on the online application form found at the following website:

<http://www.ecoaction.gc.ca/ecoenergy-ecoenergie/apps/power-electricite/v2008/ap-p-02a-form-eng.cfm>

Did you print a copy of the completed TPI application form (section 1 to 3), by using the print icon located on the bottom right of the web page?

Use that print icon, then click on your internet browser's print icon afterwards. It will correctly print your form and you can also save a copy of the form by using the "save as" option on your browser. Use 8.5 X 14 legal paper.

Did the responsible authority SIGN and DATE the TPI application at the bottom of the form?

Did you insert all the required information in a hard cover binder?  
Please **TAB** all sections, according to the format below:

Cover Letter

TPI Application Form

Proof of Corporate number (*if business name changed or if the corp. number supplied at the NPA stage is no longer applicable*)

Individual Tabs: A1 to A16 (*maps, graphs, chart etc... printed in colour*)

Did you copy on a CD all sections in separate (colour) PDF files with the same directory names as follows?

Cover Letter

TPI Form

Proof of Corporate number (*if any changes*)

Individual Tabs: A1, A2, A3, A4, A5, A6, A7, A8, A9,

A10, A11, A12, A13, A14, A15 & A16

Mail out complete package to the following address:

ecoENERGY for Renewable Power program

Natural Resources Canada

615 Booth Street, Room 160

Ottawa, ON K1A 0E9

Attention: Denis Bergeron

**Thank you for using this check list.**

Thank you for your co-operation and interest in the  
ecoENERGY for Renewable Power program

Failure to provide all of the information requested on the TPI application form will delay the review of the application over the 30 business days stipulated under Step 2 of the Terms and Conditions.
